

OLD ORCHARD SWIM CLUB RULES & REGULATIONS

The following rules and regulations have been established for the protection of all members of the Old Orchard Swim Club (“OOSC”) and their guests to ensure the safe and sanitary operation of the facilities.

These rules governing the operation of the facilities and the recreation areas will be posted on the bulletin board.

Parents are requested to caution their children to observe these rules and to obey the instructions of the Board of Trustees, Management Team, lifeguards and other employees.
